Subject: Sponsoring of Special Children Training / Education Plan

Sir/Madam,

Vision Special School is working with Children with Special Needs(CWSN). This includes Mental Retardation, Hearing Impairment, Autism, Cerebral Palsy among other over-lapping areas. Effort is being made, to make the lives of the beneficiaries better and more respectful; by enabling them to help themselves through the means of Training, Education and Imparting of Vocational Skills. Physiotherapy, Occupational Therapy, Speech Therapy, Psychological Assessment, Vocational Guidance & Counselling are some of the therapeutics which are also being provided for these special children.

Vision Special School has been established by the Society for Research & Development in Education (SRDE); which is a registered NGO under the Persons With Disability (PWD) Act of 1995 with the Department of Social Welfare, Government of Haryana. The School is housed on an Institutional piece of land at Plot No-40, Sector-20B, Near Hanuman Mandir, Faridabad.

Special Educators registered with Rehabilitation Council of India, Ministry of Social Justice Empowerment, Government of India are only recruited to work with these special Children. Training in sports, painting, candle making, diya making, soft toys making are some of the trades where work has already begun. Other identified areas for future working are packaging, screen printing, bead necklace making etc. We are looking forward to tying up with an Industrial House under whom these specific activity could be administered on regular basis.

Vision Special School is providing services to children from different economic sections of the society. As a result; several of the Below Poverty Line (BPL) family Children find it difficult to continue their education and training in the desired manner. We solicit you to come forward and support any one of the suggested Sponsorship plan for the welfare of the Special Children. Your support will go a long way in deciding the future of the children supported by you. All donations are exempt under Sec 80 (G) of the Income Tax. You would as well be detailed about the child being supported by you and progress made by him/her from time to time.

We cannot help everybody. But surely, everybody can help somebody.

With Best Wishes,

(Sarita Bharadwaj)

Principal
